<sup>1/</sup> The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1, if no previous statement has been filed.

<sup>2/</sup> The recipient of a late in-kind contribution must file a late contribution report within 48 hours from the time the in-kind contribution is received.

<sup>3/</sup> A controlled committee of a candidate may not make independent expenditures to support or oppose other candidates.

- All statements are public documents.
- Local jurisdictions may impose contribution limits and additional filing requirements.
- State committees making contributions or independent expenditures in connection with local elections should contact the FPPC for reporting requirements.

As of the date of this publication (9/07), the FPPC Campaign Disclosure Manuals for local candidates (Manual 2) and ballot measure committees (Manual 3) contain the most recent information on campaign disclosure requirements. Be sure to check the FPPC web site ([www.fppc.ca.gov](http://www.fppc.ca.gov)) for updated information.

#### Additional Notes:

- **Primarily Formed Ballot Measure Committees:** Prior to the semi-annual period in which the measure(s) supported or opposed is being voted on, committees must file quarterly campaign statements in addition to semi-annual statements. Following the election, quarterly statements may also be required. Contact the FPPC for specific information.
- **Candidates:** Contact the FPPC for revised reporting deadlines in the event of a runoff election. After an election, reporting requirements will depend on whether the candidate is successful and whether a campaign committee is maintained.
- Except for deadlines that fall on a Saturday, Sunday, or an official state holiday, there is no provision in the law for extending a filing deadline. Late statements are subject to a \$10 per day late fine.
